Move children onto free readers once they have completed all colour bands.

Age band 16-26	Age Band 30-50	Yellow or lower	Orange or lower	Gold or lower	Lime or lower	Grey or lower
If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit	If children are working within this band assess them using the Toolkit

Next year ready = you need to aim for your A and AA children to be here by the end of the year.

Notes

Guided Reading books should be a book band higher than individual reading books.
Please put the books away in the correct place.
